

DECLARATION, POWER OF ATTORNEY, AND PETITION

We, Jameson Bergin, a citizen of the United States of America, having a residence and post office address of 37 Pemberton Road, Nashua, New Hampshire 03063; J. Doss Halsey, a citizen of the United States of America, having a residence and post office address of 6607 Orland Street, Falls Church, Virginia 22043; and John Don Carlos, a citizen of the United States of America, having a residence and post office address of 878 Armada Terrace, San Diego, California 92106; verily believe we are the original, first, and joint inventors of the subject matter of the invention or discovery entitled AN INTELLIGENT PASSIVE NAVIGATION SYSTEM FOR BACK-UP AND VERIFICATION OF GPS, for which a patent is sought and which is described and claimed in the specification attached hereto; that we have reviewed and understand the contents of the above-identified specification, including the claims; and that we acknowledge the duty to disclose information which is material to the examination of this application in accordance with Section 1.56(a) of Title 37 of the Code of Federal Regulations.

We hereby claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed pending application, Serial No. 09/895,613, filed June 29, 2001; and, insofar as the subject matter of each of the claims of this application is not disclosed in the earlier filed pending application in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code, we acknowledge the duty to disclose material information, as defined in Section 1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed application and the filing date of this application.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint as our attorneys NEIL K. NYDEGGER, Registration No. 30,202 and MATTHEW K. HILLMAN, Registration No. 45,892; with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith. All correspondence and telephonic communications should be directed to:
